"Scents of white flowers and yellow fruit flavours"

TERROIR & SOIL

Clay-limestone

TASTING

This beautiful golden coloured wine, produced from the Chardonnay grape, releases white flower scents punctuated by notes of broom. It is fresh on entry to the palate, revealing long-lingering flavours of yellow summer fruit, such as apricots and peaches.

FOOD & WINE PAIRINGS

Perfect for aperitif drinking or paired with a gratin of seafood or pike quenelles.
